Remarks::

Classic Audio will be working on Full restoration of your Quad FM3 at least 7 hours and test time is more than 2 hours followed by a quality assurance test period of 500 hours before delivery.

Classic Audio can replace or paint all defective parts on the Quad 33 according to your wishes.

Cabinet (excl. front)

Cabinet painted in original color, which means that all products have the same color shade.

1350 SEK

This means, for example, that if you choose to have all your Quad products painted, the products will have the same color shade. Quad has not chosen to deliver the same color shade for their products, and therefore you can own products with somewhat different colors, even though the products are in the same product family.

Cabinet - Front

Painting of front panel

600 SEK

The front panel is painted (as originally) in a different color shade than the cabinet. It requires more work hours to disassemble the product if the front needs to be painted.

After an inspection of your product, you will receive a complete overview of the total costs associated with the complete renovation of your product.

All prices are exclusive of Swedish VAT 25%
